Education

Alexandria University   Sep. 2024 – May 2028

Faculty of Science student majoring in Software Industry and Multimedia   *Egypt, Alexandria*

Experience

React Developer Trainee | *Digital Egypt Pioneers Initiative (DEPI)*   **June 2025**

- Developed modern web applications using React.js and JavaScript (ES6+).
- Designed responsive, mobile-first interfaces using Tailwind CSS and Bootstrap.
- Integrated RESTful APIs and managed application state efficiently.
- Collaborated with a team to deliver a full Capstone Project using Git & GitHub.

Relevant Coursework

- Software Engineering
- SDLC
- Data Structures
- OOP
- Web Development
- Agile Methodologies
- Leadership
- Problem Solving

Projects

Hot Wheels E-Commerce   GitHub | Live Demo   **Dec 2025**

- Implemented a **Loyalty System** for earning and redeeming user rewards.
- Built an **Admin Dashboard** for seamless product and inventory management.
- Managed application state via **Redux** and navigation using **React Router**.
- Designed a modern, responsive UI using **React.js** and **Tailwind CSS**.

Simple Banking System   GitHub | Live Demo   **Nov 2025**

- Simulated core banking features: **Sign Up**, **Deposit**, and **Withdraw**.
- Implemented secure **Authentication** and dynamic account number generation.
- Developed the interface using **React.js** and **Tailwind CSS**.

Personal Portfolio   GitHub | Live Demo   **Oct 2025**

- Designed a responsive static website to showcase technical projects and skills.
- Built using optimized **HTML5**, **CSS3**, and **JavaScript**.
- Ensured high performance and cross-browser compatibility.

Skills

Languages & Technologies

- JavaScript (ES6+), TypeScript, HTML5, CSS3
- React.js, Redux Toolkit, Tailwind CSS, Bootstrap
- RESTful APIs, JSON

Developer Tools

- VS Code, Git, GitHub
- Vite, npm

Soft Skills

- Leadership, Team Management
- Problem-Solving, Teamwork, Communication
- Attention to Detail, Time Management

Leadership / Extracurricular

- **DEPI Capstone Team Leader:** Led the development team, delegating tasks effectively to ensure balanced workloads and seamless collaboration.
- **Handball Team Leader:** Led the Dakahlia team to multiple championships, demonstrating strategic planning and leadership.
- **USAID Scholarship Participant:** Engaged in intensive academic and personal development activities.
- **Science Ides Volunteer:** Created promotional content to expand student outreach for educational courses.
- **Continuous Learner:** Expanded knowledge beyond IT through courses in sales and communication skills.
